

THE STEVEN KENT WINERY

## 2018 CABERNET SAUVIGNON Sachau Vineyard | Livermore Valley

### HARVEST NOTES

2018 showed the quintessentially moderate climate from budbreak to harvest that typifies California winemaking.

### VINEYARD NOTES

The Sachau Vineyard is one of the finest sites in the Livermore Valley. Planted to all five Bordeaux varieties, we harvest Cabernet Sauvignon from a single mixed-clone, east-facing block situated 600 feet above sea level.

### TASTING NOTES

Displaying characteristic dark rich fruit that is highlighted by elegant, age-worthy tannin and enlivening acidity, the wine will age beautifully for 10-15 years.

Aged in about 50% new oak for 22 months, fewer than 150 cases of 2018 Cabernet Sauvignon - Sachau Vineyard were produced for members of our Single Vineyard Series.

### WINE STATISTICS

Wood: 50% New Oak, 22 Months

TA: .60 g/L

pH: 3.60
