

Mia NIPOTE

2016 Estate Cabernet Sauvignon

HARVEST YEAR

The 2016 vintage started life, for the first time in several years, with significant winter rainfall (Livermore saw rainfall in January 2016 exceed that of January 2015 by 243%). Helping to recharge aquifers and wells, rainfall was also helpful in leaching out some of the dissolved solids that had accumulated during the drought.

TASTING NOTES

The Estate Cabernet Sauvignon shows great balance of acidity, tannin, fruit, and wood even when young. This wine has gorgeous structure and will age beautifully for 15-20 years with proper storage. Drink from 2020 – 2040.

WINE STATISTICS

- OAK: 100% French Oak: 78% new; 22% one year used
- TIME IN OAK – 24 MONTHS
- TA: .62 g/L
- pH: 3.61
